

Captured by Grace: No One is Beyond the Reach of a Loving God

Grace-its a stained-glass, impersonal word until it happens to you... Until you have been broken beyond belief and need a miracle for your soul. Until you have betrayed a loved one and cannot bring him back. Until you have befriended every darkness and are desperate for the light. Thats when Gods relentless, amazing, very personalized grace finds you. It reached a slave trader onboard a ship raiding Africas coast in March 1748. He later gave the world its most beloved hymn. It struck the Christian churchs most treacherous enemy on a Damascus road in AD 45, and he became the gospels greatest messenger. And it can free you too... of any shameful memory, open wound, unthinking mistake, or willful choice. Encountering Gods grace changes lives forever. Let Dr. David Jeremiah show you how the transforming mercy that captured songwriter John Newton and the apostle Paul can awaken within you a fresh experience of the God who loves you fearlessly and pursues you with abandon.
