

Carmilla (Hesperus Classics)

You are mine, you shall be mine, you and I are one for ever. One of the most hugely influential vampire stories of all time, Le Fanus Carmilla was written before Bram Stokers Dracula. A true gothic novel, it is eery, rich in character and place and bathed in blood and moonlight. When a mysterious carriage crashes outside their castle home in Styria, Austria, Laura and her father agree to take in its injured passenger, a young woman named Carmilla. Delighted to have some company of her own age, Laura is instantly drawn to Carmilla. But as their friendship grows, Carmillas character changes and she becomes increasingly secretive and volatile. As Carmillas moods shift and change, Laura starts to become ill, experiencing fiendish nightmares, her health deteriorating night after night. It is not until she and her father, increasingly concerned for Lauras well-being, set out on a trip to discover more about the mysterious Carmilla that the terrifying truth reveals itself...
