

# Arc Welding in Manufacturing and Construction: Design - Engineering - Fabrication. Volume 1

A collection of entries submitted in arc welding award programs sponsored by the James F. Lincoln Arc Welding Foundation.

Section headings: Machinery, Weldments, & Machine Components; Energy Related Equipment Structures & Components; Pumps & Hydraulic Equipment; Miscellaneous Welding Applications and Procedures; Buildings and Structural Components; Bridges: Highway, Railway & Pedestrian; Miscellaneous Structures: Tanks, Towers, Walkways, Conveyors, Cranes & Other Structural Elements; Marine Structures; Construction, Transportation & Agricultural Equipment
