

Chevrolet Pickup Color History (Truck Color History)

A superb color history on Chevrolets pickup trucks from 1918-1994, including El Caminos, Suburbans, Blazers, Compacts, and GMC trucks. Traces the trends in truck styling and focuses on the particularly significant eras in pickup history, including the Art Deco series (1941-46), the Advance Design models (1947-55), the Task Force series (1955-59), and the Integrated Styling series of 1969-72. Color photos show beautifully restored and original trucks.
