

## Romeo and Juliet

The plays the thing! A play that turns Shakespeare on his head and makes Romeo and Juliet into a comedy! It casts Romeo as a grammar school boy and Juliet as a working class girl and thats why their two families are at loggerheads about them going out with each other in Fifties Britain. Packed with songs from the rock and roll era, many with altered lyrics to fit the scenes, and coming to a happy ending at the hop, this is perfect for a Year 6 upward play. Get rocking and rolling!
