

## Engineering Graphics series of textbooks. industrial design categories: shadows and perspective problem sets(Chinese Edition)

Paperback. Pub Date: 2004 Pages: 89  
Language: Chinese in Publisher: South  
China University of Technology Press  
industrial design class engineering graphics  
textbook series: shadow and perspective  
problem sets edited with Chen Lingling.  
shadow and perspective supporting  
materials to use. Suitable institutions of  
higher learning industrial design. interior  
design. and its professional use. is also  
available for design. engineering and  
technical personnel reference. Contents:  
shadow shapes in orthographic projection  
of the principle of the first chapter. Chapter  
2. Chapter 3 physical perspective Chapter 4  
computer graphics foundation
