

The Church of Christ

James Bannerman (1807-1868), was a Scottish theologian, leader in the Free Church of Scotland, and long-time apologetics and pastoral theology in the New College, Edinburgh. His magnum opus, *The church of Christ: a treatise on the nature, powers, ordinances, discipline, and government of the Christian church* was published posthumously in 1868, and remains a definitive defense and exposition of Presbyterian ecclesiology. This is the full edition of Bannermans work. It is organized as follows: Introduction Part I. Nature of the Church Chapter I. The Church As Defined In Scripture Chapter II. The Church a Divine and Spiritual Institution Chapter III. The Church In Its Twofold Character as Visible and Invisible Chapter IV.
