

The Comprehensive Vintage Motorcycle Price Guide 2011/2012 Edition: The Vintage Japanese and European Motorcycle Club

Designed by enthusiasts for enthusiasts, this annual price guide includes comprehensive data for dozens of brands from the U.S. and around the world, and covers all models for the years 1901 through 1996. It is based on actual purchase prices tallied from recent auctions and major motorcycle exchange meets. Prices are given for six quality grades, ranging from rat-bike to like-new. It includes a guide to show how each price grade is defined and how to recognize which grade a particular bike belongs in.
