Tessas Redemption [Menage Amour: Erotic Historical Menage a Trois Romance, M/F/M] Tessa Derbyshire believes she's lost her soul. Alex D'Bushey seduced her two years ago, resulting in a baby that died. When she was to marry Angel LeClare, she confessed her past. He declared her ruined and cast her out. With nowhere else to go, she returned to Alex. Alex suspects she still loves Angel. He'll do anything to keep Tessa, even share her. Angel longs to make amends to her, so they come to an uneasy agreement. Tessa is shocked by Alex's proposal. Then Angel kisses her. She discovers tenderness in Alex and passion in Angel. But the men distrust each other. In and out of bed they fight over her. Sick and ashamed to be their plaything, she withdraws. Can Alex and Angel set aside their animosity and find a way for the three of them to be together? Or will the sins of their pasts doom them forever? ** Madison Park [Menage Amour: Erotic Historical Menage a Trois Romance, M/F/M, light BDSM] Docile Fanny Wright is the poor relation at Madison Park. After ten years, she longs to take control of her life. She harbors feelings for Edmund Bantham, the second son, but sophisticated Harry Crawford charms and flirts with her too. She fantasizes about them both in her lonely attic room. One afternoon Harry samples Fanny's commanding passion. He knows she loves Edmund and suggests they share her. Edmund cares for Fanny and wants her too. He agrees if she consents. Fanny knows Edmund won't marry the poor relation. Harry will marry a wealthy woman. But in passion she can have control. When suspicions arise, Harry and Edmund court other women to distract from their liaison. They explain, but she can't ignore the truth. She has no future with either of them. Is she destined to remain powerless? Or can they convince her they will happily follow her lead forever? ** A Siren Erotic Romance
