

CliffsTestPrep CSET: Mathematics

Your complete guide to a higher score on the CSET: Mathematics. Features information about certification requirements, an overview of the test -with a scoring scale, description of the test structure and format and proven test-taking strategies. Approaches for answering the three types of questions: multiple-choice, enhanced multiple-choice, constructed-response. Reviews and Practice Focused reviews of all areas tested: algebra, number theory, geometry, probability, calculus, and history of mathematics. Practice problems for selected difficult areas and domains. 2 Full-Length Practice Tests are structured like the actual exam and are complete with answers and explanations. The Glossary of Terms has description of Key Formulas and Properties. Test-Prep Essentials from the Experts at CliffsNotes.
