

Come Holy Guest (Samuel L. Brengles Holy Life)

This volume combines two Brengle classics, *Guest of the Soul* and *When the Holy Ghost is Come*, and is edited for modern readership by popular author (and long-time Brengle devotee) Bob Hostetler. Brengles authentic voice remains strong, now able to more relevantly engage today's disciples with answers to the essential questions about the Holy Spirit, ranging in topics such as his identity, praying to him, and his role in sanctification. The great international evangelist and teacher of holiness applied his passion and pen to these topics and more in his thorough and practical book about the person and work of the Holy Spirit.
