Isabel Bookbinder dreams of pearly white weddings, happy brides, handsome grooms. And champagne towers that don't topple over. She dreams of the perfect wedding. But not for herself... for her clients. It's all about bride management as far as Isabel is concerned. Even when she misplaces a couple of brides and loses her job working for wedding guru Pippa Everitt, Isabel isn't disheartened. She throws herself straight into launching Isabel Bookbinder, Individual Weddings, and with a pop starlet and a millionaire as her first clients, business is looking rosy. Unfortunately for Isabel, nothing ever goes quite according to plan...
