

Congratulations (Urban Renaissance)

Congratulations is the story of Tiffany Garner and Thomas Anthony Young. After eight months of dating, Tiffany thinks that any day now, Thomas will propose to her. That is until they get into a senseless argument before Thomas leaves on a business trip. Tiffany is hurt by the words that are exchanged. To get her mind off her troubles, she decides to go a wedding with her best friend, Alicia. While there, Tiffany's world is turned upside down when she sees Thomas not out of town, but at the wedding.
