

Corvettes - The Cars that Created the Legend

America's favorite sports cars tear across the pages of *Corvettes: The Cars That Created The Legend* as author and photographer Dennis Adler presents this stunning photographic history of Corvette. Documenting the development of the popular cars and their domination of the sports car world from the first Corvette in 1953 to today's latest models, this book has it all, in vibrant, detailed color. Readers will find the classic Sting Rays, the Challenge series, ZR-1s, concept cars and more. Also features interviews with the creators of the cars as well as an in-depth look at the evolution of the Corvette, documenting changes in price, body style, engine size, interior design, dash instruments and much more. Packed with 150 full-color photographs of mint condition classics, this book takes a wild ride through five decades of Corvette history.
