

## One G-String Short of Crazy

From the author of *Cruising* and *Crazy Love* comes an I-cant-believe-you-really-said-that novel about hot-as-hell twin sisters who share everything except their taste in men, and a fine-ass brother from Chicago. Felicia and Aisha Goodman need separate places. Aisha cant settle on any one man, and night after night of loud, hot sex in the room next door is driving Felicia crazy. But neither can imagine life without the other. The solution: 1920 Peachtree, owned by their good friend Tarik. The twins can each have an apartment, yet still work together at the accounting firm they own. But for two crazy sistahs like Felicia and Aisha, life is never simple. Aishas eyeing Derrick upstairs, even after his pregnant ex-girlfriend from Chicago turns up. Felicia is having a secret affair that will shock even her sex-crazed sister, and her life takes an even crazier turn when she falls in love with her best friend. And theyre both beginning to wonder if the business they started was the right choice. Its a bumpy ride, but the twins are set to prove that determined women truly can have it all -- careers, maybe marriage, and certainly lots of good, hot sex....
