

## Where Darkness Lies: Criminals of the Ocean, Book 2

Anger and pain brought them together, but their passion might just set them free. Dimitri wants only one thing: revenge. His stepfather, Hendrix, has caused him nothing but pain and heartache. At last Dimitri can take something - someone - important to Hendrix and make him pay: Jess. Jess is feisty and strong headed. Her past haunts her and connects her to the dangerously dark Dimitri in an unexpected way. Dimitri keeps his secrets locked deep inside, and Jess is drawn to this broken man like no one before. With little to cling to besides their haunting pasts, both could have been doomed to lives spent raging against the darkness that holds them prisoner. Instead, it seems that as their pain draws them closer together, it is their desire and combustible passion that will set them free. Where Darkness Lies is a sizzling romance and the second book in the popular Criminals of the Ocean series.
