

The Last Rite (The Danilov Quintet)

Part historical adventure, part vampire thriller -- the fifth and final darkly chilling chapter in Jasper Kents acclaimed Danilov Quintet. Mihail Konstantinovich Danilov -- who himself carries Romanov blood -- welcomes the prospect of a new regime. Like his ancestors he once fought to save the Romanovs from the threat that Zmyeevich brought them. Fought and won. But now he sees no future for a Russia ruled by a tyrant. He is joined in the struggle by his uncle, Dmitry Alekseevich - a creature born in a different era, over a century before. For more than half his existence he has been a vampire, and yet he still harbours one very human desire; that his country should be free. But the curse that infects the blood of the Romanovs cannot be so easily forgotten and Mihail soon discovers that it that he may become the means by which a terror once thought eradicated might be resurrected.
