Who is truly happy? Doesn't it often seem as if the world is filled with people who aren't? We see them every day--the unsatisfied, the critical, the grouchy. It makes us wonder: What would it take to make people truly happy? In an often unhappy, confusing world, when it's hard to be certain which path leads to true happiness, it's good to know one source will share the truth: God's Word. In LIFES SIMPLE GUIDE TO HAPPINESS, readers will see what God has to say about making decisions, discern His plan and purpose, and find joy along the way. Discovering the inspiration and encouragement to meet each day with a smile has never been so simple.
