

The Silence (A Nell West and Michael Flint Haunted House Story Book 3)

Antiques dealer Nell West is valuing the contents of her late husband Brads childhood home, Stilter House. Set on the remote Derbyshire Peaks, there was once a much older property there, in which the notorious Isobel Acton committed a vicious crime. Warned against visiting the house by an elderly aunt of Brads, Nell hears mysterious piano music soon after her arrival. It becomes clear that the music is tangled with Isobel Actons macabre fate more than a hundred years earlier. A fate whose consequences still menace the present.
