

## Death in Dahab

Dark Shark is a scuba diving instructor working in the Red Sea resort of Dahab, located on the eastern coast of Egypt's Sinai Peninsula. When a body is discovered, Dark Shark and his friends are plunged into an incredible adventure they will never forget. From the great shipwrecks of Abu Nuhas to the lofty mountains of Santa Katarina; their journey takes them across a beautiful, ancient and mysterious desert landscape. As Dark Shark is drawn into ever greater danger, he must look deep into his own heart and confront the demons within - if he is to survive. Death in Dahab is the debut novel by Avi Bernstein.
