

## Bowhunters Digest: Advanced Tactics, 5th Edition

This stimulating compilation of expert bowhunting advice and advanced tactics provides tips and techniques for improving hunting and shooting skills as told by more than 20 top bowhunters, including Greg Miller, M.D. Johnson, and Gary Clancy. White-tailed deer, the most popular of the big game animals, receives extensive coverage from scouting to harvesting. Advanced tactics are also provided for other species, allowing hunters to enjoy a greater level of success and satisfaction from their sport. Hunters also get an overview of the latest bowhunting equipment and accessories. A directory provides a state-by-state list of archery manufacturers, dealers, and other resources.
