

## Corvette Black Book 1953-2003

First published in 1978, the 2003 edition marks the 25th anniversary of the Corvette Black Book, coinciding nicely with the Corvettes 50th anniversary. This new edition increases in page count to 160 with expanded glossary and chronology, plus new sections including a Corvette-key-date tabulation. Detailed data for Corvettes 2003 model is included, of course, plus production quantities and updates for 2002 and earlier models. (1953-2002 edition 0-933534-49-3)
