

## Modern Police Motorcycles in Action (Enthusiast Color Series)

Motorcycle cops are among the most skilled riders ever to throw a leg over a two-wheeler, performing all the tasks of their car-driving counterparts, but on much faster and more vulnerable machines. This full-color book takes readers into the world of the modern motorcycle officer, offering comparisons of popular police bikes built by Harley-Davidson, Kawasaki and BMW; special equipment for the bikes and officers; training and patrolling techniques; and the special tasks associated with motorcycle officers.
