

MG T-Series: The Complete Story

In the 1930s MG, more than any other make of car, made sports car motoring available to thousands. Introduced in 1936, the T-Series carried the process forward another stage, turning MG into a bestseller both in the USA and the UK and laying the foundations for the MGAs, MGBs and Midgets. Topics covered include: background to T-series design and development; profiles of key personalities; record breaking, racing and rallying; detailed specifications of each model; production numbers and the T-Series today.
