

The Taste of Devotion (Volume 3)

One man searching for a place to call home stumbles into the arms of another wishing for a mate to complete his. Cooper Tessen, enforcer for the Phantom River Pack and Sheriff of Stonepass, has watched each of his two best friends enjoy their mated bliss. Hes thrilled theyve found happiness, however, he feels a distance growing between him and his blood brothers because he has no experience of the connection between a shifter and his mate. Cooper fills the hours of his lonely days by spending as much time as possible working at the station to protect his town, and, secretly, off on dangerous missions for the government. Burning the candle at both ends gives him little time to focus on his longing to have a mate of his own. Darren Caisil is on the run. Accused of a murder he didnt commit, its either become a lone wolf or be killed by the very pack hed spent his life trying to serve. He hits rock bottom when he finds himself lost, alone, hungry, and freezing in nowhere Montana during the dead of winter. His last semiconscious thought as he succumbs to the inevitable is that an angel is lifting him towards heaven. When he wakes up in unfamiliar surroundings, he finds it wasnt an angel after all, but a man. And not any man, but another wolf shifter...one who claims to be Darrens mate. As they explore their mating bond, Cooper tries to get Darren to open up about his past but the man refuses to share his secrets. Frustrated, Cooper decides to do a little digging on his own. Unfortunately, it seems Coopers investigation may have stirred up a hornets nest when it draws the attention of some of Darrens former pack members who are bent on revenge...
