

Safari Dreams: A Practical Guide To Your Hunt In Africa.

Safari Dreams: A Practical Guide To Your Hunt In Africa. A modern and thorough how-to on all aspects of ones first African safari by an experienced author/traveler/shooter/hunter. Uniquely packaged with information, tips, and ideas you wont find in any other book. He has spent the five summers in Africa, in the field as both a client hunter and PH trainee on a game ranch. Complementing the masters such as Robert Ruark, Peter Capstick, and Craig Boddington, Safari Dreams offers a unique perspective on African hunting, with a captivating writing style. A great read for the novice and intermediate. Do you need a .300 mag for Africa? .375 H&H versus .416 Rem. .416/400gr versus .458/500gr. Includes 100 never-before-published color photos of South Africa and Tanzania, in the field and tourist travels. As Royce writes: Action turns daydreams into memories. Safari Dreams will not only inform, it will inspire you to finally go to Africa!
