

## A Womans Winding Road... Avoiding Potholes Along The Way!

It would be nice to have time to read every book on self improvement for women, but who has the time? This is an easy and quick read for helping women become better adept at managing their work... whatever type of work that might be. Whether you are striving to become a great boss, a better co-worker, a stronger community leader, or even a highly respected volunteer... this has the help you'll benefit from quickly. Easy to read, easy to relate to, and to the point.
