

# PLEROMA TRINITATIS (Disputationes theologicae) (German Edition)

Für das mare magnum der Gesamtheologie Scheebens stellt sich die Frage nach einem Konstruktionsprinzip. In der Nachzeichnung des Trinitatstraktates weist vorliegende Untersuchung auf, dass die Fruchtbarkeit und Lebensdynamik der göttlichen Dreifaltigkeit die gesamte Wirklichkeit bestimmt sowie auch in formaler Hinsicht Scheebens Aussagen in eine integrale Theologie formt, in der das Wahre stets das (trinitarische) Ganze ist. Von dieser konsistenten trinitarischen Theologie her kann Scheeben mit vollem Recht ein Hegel der katholischen Theologie (A. Kerkvoorde) genannt werden.
