

Finding You: The Switched Series (Volume 1)

Callie Scott likes her life. Since tragedy struck her family ten years earlier, she has learned to take care of herself and keep her secrets buried. All of that changes when she suddenly finds herself back in a town she never wanted to return to with a family she never wanted to meet. Ash knows what its like to be alone. He doesnt let anyone in his life for fear he will lose them. When he finally opens up and lets Callie in, will their love be enough to get them through her secrets? When secrets start being uncovered that have changed both of their lives forever, will love be enough to find forever or will everything be lost? Note from Author This is the first book in The Switched Series. It can also be read as a stand alone since Callie and Ashs story will be wrapped up in book one. Book two will focus on another couple. There is no cliffhanger!!!!
