Camilles Seduction [Menage Amour: Erotic Historical Menage a Quatre Romance, M/F/M/M, bondage, sex toys] Camille Capria is the loveliest girl in London, and three dukes, the Tremont brothers, have decided to have her. He tells Camille of this, and she gives herself to him body and soul in a hot night in an attempt to get his mind off of Mia. However, when Mia and her mother come to visit, it is clear Mias intentions are toward marriage. Camille and the Tremont brothers dont trust Mia, and they fight Knolls noble inclination to save her from poverty, but he gives in and marries her. Mia agrees to join their arrangement, and a night of passion with Knoll, now her husband, ensues. She soon invites the others into her bed, and they find her petite prettiness charming and sensual. Camilles baby is born. Joy fills the house again as harmony is reached and their lust is fulfilled. All is well, but then Mortimer receives a strange visitor who threatens the peace and passion in the
