

Ed Monk and the tradition of classic boats

Since the 1920s, the comfortable and beautiful boats designed by Ed Monk have been treasured for cruising, working and living aboard. Thousands of Monks fishing boats, sailboats, runabouts, tugs and power yachts have been built, mostly on the Pacific coast. His designs are renowned for their efficiency, their strength and their pleasing lines. This is a collection of Monks designs, illustrated with stories, line drawings and photos.
