

El Universo Literario De Laura Restrepo/ The Literary Universe of Laura Restrepo (Spanish Edition)

Includes an interview by Jaime Manrique. A gathering of carefully selected essays, reviews and critical analyses on the works of Laura Restrepo one of Colombia's most renowned female authors up to her latest novel, *Delirio*, winner of the Premio Alfaguara. The anthology is divided in chronologically, and arranged in sections, corresponding to the author's most famous novels. Followed are two interviews with Restrepo and a final one, tinged with humor, with Restrepo's mother. Description in Spanish: No es fácil reunir en un solo volumen la totalidad de la obra crítica sobre Laura Restrepo. Cuando se abrió la convocatoria para recibir textos sobre Restrepo, llegaron un número significativo de ensayos, reseñas y trabajos críticos desde diversos puntos del planeta. Por tanto, no fue sencilla la labor de seleccionar y organizar los trabajos en esta antología, pero ha sido todo un placer observar la suma de perspectivas, lecturas y análisis que suscita cada una de sus obras. Se podría afirmar que como escritora, Laura Restrepo cumple con el sueño de todos los autores: el de generar una amalgama de inquietudes y replicas a partir de su literatura. Esta compilación partió de una necesidad. Con más de siete novelas publicadas, que han sido traducidas a doce idiomas, Laura Restrepo es actualmente una de las escritoras colombianas más reconocidas y quizá la que ha trascendido con mayor éxito las fronteras nacionales. Su obra combina el reportaje con la ficción desde una perspectiva objetiva de los conflictos que vive Colombia. Pero es también, desde una perspectiva humana, el retrato de las pasiones que viven las personas en cualquier parte del mundo.
