

If you are in the market for a used Porsche, Ferrari, Aston Martin, Jaguar, Range Rover, Lotus, Mercedes, BMW or any other super car, you will want to read this first. It contains lessons from car enthusiasts and provides guidance on how to minimize the chance of having your dream turn into a nightmare, as was the case of one Porsche 911 owner. Learn how to buy your pre-owned dream car at a price the dealer paid for it while avoiding a potential nightmare. This is a step-by-step guide to saving thousands of dollars while minimizing the risk of having your dream turn into a nightmare. You will learn how to find, value and then prepare yourself to test the car and negotiate a good price. Most importantly you will learn a critical step to reducing the chances of ending up with a massive burden. Even reputable manufacturers like Porsche can let you down, as shown in this manual. So learn how to reduce the chance of being another enthusiast who becomes a victim.
