

# Platos Dialectic at Play: Argument, Structure and Myth in the Symposium (Paperback) - Common

The Symposium is one of Platos most accessible dialogues, an engrossing historical document as well as an entertaining literary masterpiece. By uncovering the structural design of the dialogue, *Platos Dialectic at Play* aims at revealing a Plato for whom the dialogical form was not merely ornamentation or philosophical methodology but the essence of philosophical exploration: his dialectic is not...
