

Embracing Unity as the Bride of Christ

This book is a clarion call from the Lord to His Bride. It is a call to see through the Brides eyes and to get prepared for the greatest move of God in the history of mankind. With the Church now separated into many divisions and beliefs, the Lord is crying out for His Bride to become one and grow up to be His beautiful partner! No other book has reached out to the major subject of division or has had the unifying answer presented as in Embracing Unity as the Bride of Christ. Jesus has a clear message for this generation, and it is Unite, My Bride! This book is a key for the kingdom of God to be used to enter the door that ushers in our Lord and Savior for the ultimate wedding!
