

Emily Climbs is the second in a series of novels by well-known Canadian author Lucy Maud Montgomery. While the legal battle with Montgomery's publishing company (L.C. Page) continued, Montgomery's husband Ewan MacDonald continued to suffer clinical depression. Montgomery, tired of writing the Anne series, created a new heroine named Emily. At the same time as writing, Montgomery was also copying her journal from her early years. The biographical elements heavily influenced the Emily trilogy...
