

End Times Scripture Handbook for Powerful, Strategic Praying

Many people today view prayer as a world-changing adventure with God. If you are one of them, here is a new tool from Gods Word to help intensify your prayer power and excitement. This handbook has lists of scriptures and scripture-filled prayers to use to do global, intercessory praying. There is a list of prophecies about Israel that havent yet been fulfilled, and another about things that must happen before the Second Coming. There are also lists to pray for the nations, for the coastlands, for secular world leaders, and for Kingdom workers. There are even lists for combating pride and evil. These are fighting, Biblical prophetic Words to use for earth-shaking prayers like you may have never prayed before.
