

## Schmitt Plays: 1: Don Juan on Trial , The Visitor , Enigma Variations , Between Worlds (Contemporary Dramatists) (v. 1)

First publication in English of Frances most successful contemporary playwright Don Juan on Trial: Brilliant dialogue (Le Figaro); The Visitor: An overwhelming triumph a masterpiece (Paris Match); Sharp, biting, unexpected and cunning Le Figaro; Enigma Variations: Schmitt writes with extreme cunning a brilliant author (Le Monde); Simple, shattering and witty. A play full of surprises (L'Express); Between Worlds: Schmitt's eighth play is a metaphysical comedy set in the Two Worlds Hotel, where those in a coma come to stay while their medical dramas unfold back amongst the living. I have been looking for a play like this for the last twenty years (Alain Delon of Enigma Variations)
