

Dos grandes de la escritura: sus puntos de contacto, sus sincronias, su trayectoria vital. Este ensayo busca profundizar en los puntos de contacto, las analogias, los paralelismos, los hallazgos simultaneos y las sincronidades de la vida y la obra de dos grandes de la literatura contemporanea: Julio Cortazar y Carlos Fuentes. El analisis minucioso de sus cuentos y novelas se complementa con el recorrido a traves de su trayectoria de vida, de la cual la autora fue testigo privilegiado y participante en mas de una ocasion. Los lectores de Fuentes y de Cortazar encontraran aqui multiples elementos de disfrute, desde el placer del descubrimiento hasta el del reconocimiento, pasando por la anecdotia inusitada, los encuentros inesperados y el sentido del humor, tanto de los escritores estudiados como de la autora. **ENGLISH DESCRIPTION** This work is an essay that finds points of convergence and interweavings in the literary and life trajectories of two of literature's greatest stars: Julio Cortazar and Carlos Fuentes. Luisa Valenzuela explores paths previously unknown to literary review and historiography, and she does it with an intimate, passionate style, with full knowledge of the facts. An internationally recognized writer, extraordinary conversationalist, and friend to Fuentes and Cortazar, Luisa is above all a great reader, possessed of a perceptive intelligence, and for that reason this work is not just a source of valuable discoveries for those who dedicate themselves to literary studies, but also a tale of anecdotes, moments, and feelings that will certainly be appreciated by all types of readers.
