

## Eric Dymock on Cars: 1989: 100 Best Cars, Motoring Columns and Road Tests

A 79,000 word compilation of motoring columns, features on new developments, road tests and topical reports published by motoring author Eric Dymock in 1989. This full-length anthology covers automotive events throughout 1989, a year in which petrol cost 38.4p a litre (?1.75/gal), against 2012s ?1.40 or ?6.30 a gallon. It was launch year for Alfa Romeo SZ; BMW 850; Chevrolet Corvette ZR1; Chrysler Le Baron Coupe; Citroen XM; Ford Thunderbird, Ford Fiesta; Honda Integra; Honda NSX; Honda Accord; Infiniti Q45; Lancia Dedra; Land Rover Discovery; Lexus LS 400; Mazda 323; Mercedes-Benz 300/500SL; Mitsubishi Eclipse; Nissan 300 ZX; Nissan Skyline GT-R; Opel Calibra; Peugeot 605; Rover 800 Coupe, Subaru Legacy; Toyota Celica and many more described in this unique insight into motoring history. Eric Dymock reports from motor shows in Geneva, Tokyo, London and Frankfurt, comments on classic motor racing anniversaries, legislation and the years advances in technology. Driving Forces of 1989 favour the customer A country estate for a quiet life. Fast Lane January 1989: An answer to congestion on British roads could be found in disused railway lines... Golden Boy of the track whose legend lives on A 21st century sequel to Hawthorns worst day at Le Mans High-flyers opt for marques of distinction Assets on wheels Personal pager to guard against false alarms Ford keeps pole position with new Fiestas Delusions of blandeur Volvo shifts into higher safety gear Fast Lane February 1989: Young pretender Value-packed Porsche Renault heralds return to robust bodies Mercedes with more room for manoeuvre From A to B with electronic help Choosing the right atlas Maserati aristocrat falls on hard times Diesel AX on the market Stylish Espace for the country Fast Lane: Lamborghini never raced. It didnt need to. Green light in Geneva for

cleaner air Mercedes flies high-tech flag  
Tune-up for sports cars Limousine fit for a  
lord The cost of going unleaded Protons  
success comes by playing it safe Fuel rise  
gives diesel appeal How to crack the code  
Fast Lane: No argument about royalty  
attending the funeral they wont A  
heavyweight contender Mirror images that  
can confuse the eye Retainer to the green  
welly set Lancia is galvanised into  
defensive action Auto-pilot climbs into the  
driving seat Tuned in to the latest local  
traffic update Clean-up for Audi Driving  
safety to the limits Tour of the best in  
racing history Fast Lane Outclassing an  
original Seven-seater with designs on  
suburbia Poor mans Porsche Jewel in  
Mercedes crown Falling foul of the speed  
trap Why we need to watch the clock  
High-tech Calibra: Vauxhall is set to  
launch it at Frankfurt Atlas with an eye for  
detail Fast Lane: If diesel fumes create  
tumours on Syrian hamsters, can they  
create tumours in people? Stewart still in  
the winning lane Summer Specials on  
stream Going the distance to check mileage  
Dont rain on our parade! Modesty  
unbecoming to a Porsche Audis clean  
machine A hundred of the best for  
unbeatable performance 100 Cars at the top  
of their class Not a hair out of place in  
Mazda Fast Lane July 1989: Segrave could  
have been a prototype Biggles had he not  
been shot down so often Time for a plan to  
beat the G-day invasion From towcars to  
classic stars But if youre driven to trade in  
the banger for an up-to-date model French  
revolution turns into a thing of the past  
Secret comes out in the open Driving home  
a classic AA resolves key issue Supercar  
steers clear of rivals Chic jeep for the  
country Fast Lane: On the move with  
medallion man Fiats new piston power and  
polish At the forefront of rear-view mirrors  
Mini missed its big chance Classics with  
the glamour of Hollywood Audi converts  
for Frankfurt Why Britain needs an LA law
