

Exploring Christian Ethics: Biblical Foundations for Morality

Adopting a unique approach among introductions to Christian ethics, Kyle Fedler's *Exploring Christian Ethics* guides students through the moral decision-making process by providing foundational material in both ethical theory and biblical ethics. First, Fedler introduces the reader to the discipline of ethics, then he explores the ways Scripture can be used responsibly in Christian ethics, and finally, he presents and analyzes the sections of Scripture that have been most influential in Christian morality and ethics.
