

Face Off (The Baddest Chick) Part 4

Clash of the Twins The relentless rivals Apple and Kola are back in business, and its about to get real. With her traumatic experiences in Mexico over, Apple is back to being the baddest. Now shes determined to make her tormentors pay for the torture she endured, and no one is prepared for the terrifying takedown shes planning for those she once loved. Kola is dominating the streets of Miami, but the haters and South Beach cartels are itching to see her leave, dead or alive. When she finds betrayal in an unlikely place, shes motivated to come out on top and put Miami on notice. Apple and Kola rage fiery warfare against the enemies determined to bring them down. But now, both contenders stronger than ever, will have to Face Off once and for all.
