

The Iron Hand of Mars: A BBC Full-Cast Radio Drama (BBC Radio Crimes)

Anton Lesser and Anna Madeley star in this BBC Radio full-cast dramatization of the fourth novel in Lindsey Davis bestselling series featuring Roman private eye Marcus Didius Falco. Falco is dispatched to one of the most hostile parts of the Empire to deliver a new standard an iron hand to one of the legions. Germania is cold, wet, dismal and full of dark forests inhabited by bloodthirsty barbarians, but Falco has an even bigger problem to worry about: he has forgotten Helena Justinas birthday, and she is being pursued by the Emperors son, Titus Caesar.
