

Adventist Churches That Make a Difference Bible Book Shelf 3Q 2016

Christ took a personal interest in men and women, ministering to them wherever He went. His ministry here on this earth was one of restoration—restoring people physically, mentally, spiritually, and socially. We, as His church, are called to do the same. We are instructed to feed the hungry and clothe the naked, to heal the sick and comfort those who mourn. In the chaos of this modern world, we are privileged to partner with Christ to bring wholistic restoration to the people in our communities. Adventist Churches That Make a Difference highlights various Adventist churches and church-based organizations around the world that are making a difference. The stories are interspersed with material that will equip your church to carry out, more effectively, Jesus ministry method of reaching people: socializing, sympathizing, serving, and saving people. It was His mission to bring to men complete restoration; He came to give them health and peace and perfection of character. -Ellen G. White, *The Ministry of Healing*, p. 17 The authors share powerful, biblical foundations; principles; tools; and real-life examples that will activate your church to be salt and light in Jesus name--the world is waiting!
