

## How to Learn Taxidermy, Book 4 How to Mount Deer Heads

How to Learn Taxidermy you can buy 1 book or all 5. I would suggest starting with the basics and starting at book 1. These 5 books are set up to start with book 1 and work to book 5. Book 1 starts with the basics of mounting and starts with birds. Birds are a great place to start to learn the basics. The requirements of tools and supplies are fewer and are the most economical place to start your new hobby or career. Birds are also available as specimens any time of the year. Enjoy these books and keep on learning and practicing the more experience the better you will become.
