

Sniper Training and Employment

2013 Reprint of 1989 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. U.S. Army Manual TC 23-14. This training circular provides guidance in the techniques and procedures for the training and employment of snipers in the United States Army. This circular also provides a reference for developing courses of instruction, and it will assist commanders and their staffs in preparing for and utilizing sniper personnel in both nuclear and nonnuclear warfare. Chapters on historical background, Sniper Rifles, Sniperscopes, ammunition, Optical observation Equipment and more.
