

## Ford RS Escorts: The Complete Guide (Crowood Autoclassics)

The story of the Ford RS Escorts is that of a highly successful range of cars that remained in production for almost thirty years and which started as an idea in a manner that has almost passed into legend. From the Twin Cam Escort of 1968 through the Escort Mexico, the RS1600 and RS2000, up to the Escort RS Cosworth and RS2000 4x4 of the late 1990s, motoring author and confirmed Escort enthusiast, Graham Robson, tells the whole story of these fine cars in this new paperback edition.
