

Forensic Investigation of Sex Crimes and Sexual Offenders

The investigation of sex crimes is a specific function for many law enforcement agencies, requiring an understanding of how to investigate, process crime scenes, interact with victims and offenders, and prepare for court. Drawing on new methods of investigation and the effects of such crimes on victims, *Forensic Investigation of Sex Crimes and Sexual Offenders* provides in-depth coverage in these areas, offering a valuable supplement for criminal justice courses and an accessible guide for law enforcement.
