

## Formula One Decades: Illustrated History of Grand Prix Champions, 1950-97 (Spanish Edition)

A collection of tales of daring-do that have been a constant feature of Formula One since the inception of the world championship in 1950. From Italy's Giuseppe Farina, the first World Champion, through to Michael Schumacher, winner in 1995, the collection demonstrates what set these men apart from their fellow drivers. The key races in each year's campaign are outlined and the psychology of each driver is examined alongside the machine he drove and his technical skills.
