

Shelleys Frankenstein (Approaches to Teaching World Literature (Paperback))

Now at seventy-three volumes, this popular MLA series (ISSN 10591133) addresses a broad range of literary texts. Each volume surveys teaching aids and critical material and brings together essays that apply a variety of perspectives to teaching the text. Upper-level undergraduate and graduate students, student teachers, education specialists, and teachers in all humanities disciplines will find these volumes particularly helpful.
